

# BAMBOOZLED By David Legge

This wonderful picture book provides great pictures for exploring and practising the /s/ and /z/ sounds in all positions. You might like to 1) say a word and encourage the child to copy then 2) have them locate the item/action in the picture and then use it in a sentence.

## WORDS FOR PRACTISE OF THE /s/ and /z/ SOUNDS

<b>Scene 1</b>	stepped stairs golf-sticks
