

PROFESSIONAL LEARNING WORKSHOP 2020

PELICAN TALK SPEECH, LANGUAGE, LITERACY

The Steps of Phonological Awareness and Phonics: Keeping young learners on track!

Did you know?

Four major international inquiries into the teaching of reading and spelling all found 5 key elements to successful teaching. Two of these are **phonological awareness and phonics**.

Did you know?

The **knowledge of the teacher** is more important for students' reading and writing success than any phonics or phonological awareness program you may have implemented.

Did you know?

Phonics teaching **cannot work** without phonological awareness.

This workshop covers:

- *What is phonological awareness (PA) and how does it develop?*
- *What is phonics and how is it different to phonological awareness?*
- *What are the stages in phonics teaching?*
- *Programming for PA and phonics (we discuss phonics programs that you may be using).*
- *How to detect any difficulties with your students' learning and how to help.*
- *Using SPELL SIGNS. This works in with any phonics and PA program.*

You receive:

- *A flashdrive (USB card) full of PA and phonics goodies plus...*
- *The complete SPELL SIGNS program (valued at \$55).*
- *Handouts.*
- *Morning Tea and Lunch.*

WHEN: Friday 20th March 9am – 3.30 pm

WHERE: University of Melbourne, Hawthorn Campus

PRESENTER: Lucia Smith, Speech Pathologist.

COST: \$220 (inc GST) EARLY BIRD by February 28th 2020
